

## **NEW OPPORTUNITIES FOR SPECIALIST DOCTORS IN THE REPUBLIC OF IRELAND**

**Description:** Bologna Health Jobs has new exciting opportunities for specialised doctors in public hospitals of the **Republic of Ireland** for the following specialties and in the following levels:

**Consultant level (minimum experience of at least 3 years since you finished your specialty)** Internal Medicine (in a hospital environment), Radiology, Obstetrics and Gynaecology, Radiation Oncologist, Haematology, Dermatology, Neurology, Anaesthesia and Intensive care, Histopathology, Nephrology, Geriatric Medicine, Emergency Medicine, Acute Medicine, Gastroenterology, Adult Psychiatry and Child and Adolescent Psychiatry.

**Registrar level (specialty should be finished or expected to do so in the following months)**: Internal Medicine (in an acute Hospital setting), Paediatrics, Emergency Medicine, Obstetrics and Gynaecology, Anaesthesia (with experience in intensive care), ENT(surgical), General Surgery, Medical Oncology, Radiation Oncology, Neonatologist, Nephrologists, Adult Psychiatry and Child and Adolescent Psychiatry.

### **Other Requirements:**

- All doctors must have completed their specialty in a country from the EU or had their specialty title recognized in one of these countries.
- The candidates will have to register with the IMC (Irish Medical Council) in the specialist register for Consultant posts or at least in the General Register for Registrar posts (if they haven't done so yet). Assistance will be granted to do this and we will help you all the way through. Please take into account that the registration process typically takes up to 3 months since doctors start the paper work so it will be advisable to start ASAP as doctors can't take up a job place till they are registered.
- The level of English requested is very high (equivalent at least to a B2 level). Fluency in written and spoken English will be indispensable. NO FORMAL EXAMINATION IS REQUIRED for the time being please note that for UK there is a formal English examination required)

### Conditions:

- Initial contracts of 1 year or 6 months.
- Basic gross annual salary for registrar posts for a 39 hour week is 50000€ to 76000€ (depending on the level of experience of the doctor), if we take into account on-calls you can expect to earn between 90000-110000€ a year (for a 48 hours week in average) which will make an approximate net monthly salary of **4500-5000€/month** after tax and pension deductions.
- Basic gross annual salary for Consultant posts for a 39 hours week is 121000€ to 145000€. Plus an extra-time allowance of up to 25000€. Average salary can be of about 140000€/year-150000€/year which can give you an **approximate net monthly salary of 7000-7500€**. On top of this there is the possibility to treat up to 20% of private patients. Please note that positions for Psychiatrist for a consultant posts have a fairly higher salary range for basic pay from 127000€ to 155000€ annual gross salary for a 39 hour week (Type A contract).
- 31 working days per Year holidays.
