<p>Short description of company Bologna Health Jobs is an agency specialised in the recruitment of medical personnel for Irish and UK based hospitals. Our business model is directed to supply the perfect fit to both clients and candidates. To do this we will assist the candidate with all the issues that he may have as for example the registration with the competent authority in each country (IMC in Ireland, GMC in the UK), the language level requirements, interview tips or more practical issues regarding helping the candidate to settle in his new work place.</p>		

VACANCY DETAILS

Job title/	<p>Bologna Health Jobs has new exciting opportunities for specialised doctors in public hospitals of the Republic of Ireland for the following levels:</p> <p style="padding-left: 40px;">Consultants</p> <p style="padding-left: 40px;">Registrar and SHO levels</p>
Number of posts/	50 posts

Full job description:

-**Consultant level** (minimum experience of at least 3 years since you finished your specialty) Internal Medicine or General Physician (in a hospital environment), Internal Medicine with an interest in Respiratory medicine), Internal medicine with an interest in Cardiology, Internal medicine and Gastroenterology, Radiology, Obstetrics and Gynaecology, Radiation Oncologist, Haematology, Dermatology, Neurology, Anaesthesia and Intensive care, Histopathology, Nephrology, Geriatric Medicine, Emergency Medicine, Acute Medicine, Gastroenterology, Adult Psychiatry, Child and Adolescent Psychiatry, Orthopaedics, Endocrinology, Respiratory medicine, Urology, Microbiology and Cardiology.

- **Registrar level** (for EU candidates specialty should be finished or expected to do so in the following months): Internal Medicine (in an acute Hospital setting), Paediatrics (SHO level also), Emergency Medicine (SHO level also), Obstetrics and Gynaecology (SHO level also), Anaesthesia (with experience in intensive care), ENT(surgical), General Surgery (SHO level also), Medical Oncology, Radiation Oncology, Neonatologist, Nephrologists, Adult Psychiatry, Child and Adolescent Psychiatry, haematology, cardiology, Respiratory medicine, neurology, ophthalmology (SHO level also), rheumatology, radiology, endocrinology, gastroenterology, orthopaedics (SHO level also), palliative care and microbiology.

The candidates will have to register with the IMC (Irish Medical Council) in the specialist register for Consultant posts or at least in the General Register for Registrar posts (if they haven't done so yet). Assistance will be granted to do this and we will help you all the way through. Please take into account that the registration process typically takes up to 3 months since doctors start the paper work so it will be advisable to start ASAP as doctors can't take up a job place till they are registered.
