NEW OPPORTUNITIES FOR YOUNG SPECIALISTS IN ENGLAND

GlobalMediRec has exciting new opportunities for young, newly qualified Italian Specialist doctors in NHS (State) Hospitals in the UK.

We are currently looking for:

**Anaesthetists
Emergency Physicians
Paediatricians**

These posts are Full-Time Permanent posts with 6 month or 1 year initial contracts. The salary for these posts is £45000 - £65000 per year and the hours are maximum 48 hours per week.

The hospital is in North London near to Luton airport which is an excellent location for doctors wishing to return home at weekends as there are direct, low-cost flights to all major Italian airports from Luton Airport.

GlobalMediRec will arrange telephone interviews, help with GMC Registration and the logistics of moving to the UK

Doctors pay NO FEES to GlobalMediRec at any time
