

NEW OPORTUNITIES FOR SPECIALIST DOCTORS IN SPAIN

Description: Bologna Health Jobs has new exciting opportunities for specialised Italian doctors in the Spanish Health System (Public Hospitals). We are currently looking for:

Anaesthetics

Emergency Physicians

Paediatricians

Traumatologists

Urologists

Gynaecologists

Haematologists

Dermatologists

Radiologists

Oncologists

Cardiologists

Geographic Information:

The vacancies are currently in Public Hospitals in the regions of Extremadura, Castilla La Mancha, Madrid, Catalonia, Andalusia and Valencia.

Type of Contract/ Salary:

All posts are Full time Permanent posts. The salary is between **60000- 150000€** (annual Gross salary including duty days and extra activities) depending on the region where the job is for. **Net salary** can be between **3500 and 8000€ a month** (depending also on personal circumstances of every candidate and productivity).

Requirements:

All Italian qualified Specialist Doctors will be considered for the post. If the candidate has not yet obtained the professional recognition of his/her speciality and general medical qualification from the Spanish authorities the company will help them with all the process and necessary paper work.

Process:

Bologna Health Jobs will arrange the interviews with all the candidates. Help will be given to all registrations and logistics regarding moving to Spain. All candidates will have an interview with the hospital where the job is for being subsidized with travelling expenses.

Application:

All candidates who are interested should send a detailed CV to the following e-mail address: alex@bolognahealthjobs.com. If you have any extra queries about the job positions you can telephone our head offices at (+34)932120190, Barcelona, Spain.

Deadline:

From October 2009 till the vacancies are covered.

Doctors pay no fees to Bologna Health Jobs at any time.
