

NEW OPORTUNITIES FOR SPECIALIST DOCTORS IN SPAIN

Description: Bologna Health Jobs has new exciting opportunities for specialised Italian doctors in the Spanish Health System (Public Hospitals). We are currently looking for:

Pediatricians

Urologists

Cardiologists

Anaesthesiologists

Geographic Information:

The vacancies are currently in Public Hospitals in the regions of Galicia (Pediatricians) ,Castilla La Mancha (Urologists, Cardiologists and Anaesthesiologists) and Extremadura (Urologists).

Type of Contract/ Salary:

All posts are Full time Permanent posts. The salary is between **60000- 100000€** (annual Gross salary including duty days and extra activities) depending on the region where the job is for. **Net salary** can be between **3500 and 6000€ a month** (depending also on personal circumstances of every candidate and productivity).

Requirements:

All Italian qualified Specialist Doctors will be considered for the post. If the candidate has not yet obtained the professional recognition of his/her speciality and general medical qualification from the Spanish authorities the company will help them with all the process and necessary paper work. Spanish language should be understood and spoken at least at a basic level.

Process:

Bologna Health Jobs will arrange the interviews with all the candidates. Help will be given to all registrations and logistics regarding moving to Spain. All candidates will have an interview with the hospital where the job is for being subsidized with travelling expenses.

Application:

All candidates who are interested should send a detailed CV to the following e-mail address: alex@bolognahealthjobs.com. Extra and more precise information on the job places will be given once we receive the CVs.

Deadline:

From July 2010 till the vacancies are covered.

Doctors pay no fees to Bologna Health Jobs at any time.
